Does each camper play in an orchestra, and a chamber group plus other selected class (s) of their choice? Yes-or they can choose **not** to play in an orchestra (except the Festival Piece) and do group lessons with the jazz instructors instead. There is also a piano instructor offering private lessons during the orchestra times, for those concentrating on keyboards.

When will we receive our music for various groups? If you request it we can send it to you within a month of camp.

Is there a concert?

Oh, yes-it is the big event which we are preparing for all week! This year it will be held on Friday at Coupeville High School, 4-6pm. There is also a Chamber Music Concert (by the students) at 1pm that day, same location.

Another wonderful element of this camp: the Faculty Concerts!

These will take place Tuesday and Wednesday evenings at the Crockett Barn nearby-open to the public for a donation at admission. The evening camp schedule will change on those nights to allow us to enjoy these.

Arthur Zadinsky will perform, and Victoria Parker, Bobby Parker, Ooana Rusu-Tomai, Jason Sah, and others from the faculty.
